Candy Tools
License

Version 1.1.0

Effective Date: 1 November 2026

Copyright © 2026 Candy Arts - All rights reserved.

The present license governs the use of Candy Tools version 1.0.x, made by Candy Arts. Any entity agrees to the terms of the present license by accessing, acquiring or using Candy Tools. Such entity remains bound by these terms as long as it accesses, uses, or possesses any copies of Candy Tools.

The present license is governed by the laws of Switzerland. If at any time any entity does not agree or ceases to agree to these terms, the entity must immediately cease or refrain from accessing and using Candy Tools, and delete any copies in its possession or under its control.

1. Definitions

Candy Tools is the creation and property of Candy Arts.

2. Purpose

Candy Tools is a *plugin* for Godot Engine 4. Its purpose is to provide additional usability features (*Tools*) to various other Candy Arts products.

3. Acquisition, Usage & Distribution

Candy Tools may only be acquired, copied, stored, used or modified for its described purpose at §2 above.

Candy Tools and any modifications made to it may not be distributed publicly. Entities associated with the same software product may distribute copies and modifications of Candy Tools among themselves for use with that software product.

4. Code Disclaimer

The .gd files provided with Candy Tools feature a written disclaimer of intellectual property ownership by Candy Arts. This disclaimer must be featured in any file that features any Candy Arts programming code, and may not be removed or modified.

5. Retention of Rights

Candy Arts retains the right to modify the present License at any time and without notice. Such modifications shall be effective immediately upon publication of a new version of this License by Candy Arts.

6. Statement of liability

Candy Arts provides no warranties regarding the reliability, stability, performance, compatibility, or suitability of Candy Tools for any particular purpose, nor that Candy Tools will be free of defects, errors, or interruptions, nor that Candy Tools will meet the specific requirements or expectations of any user.

Candy Arts shall in no event be held liable for any issues or damages caused by Candy Tools.

Users assume full liability for their use of Candy Tools.
